Washing Free.

There are Motor Springs beneath the tub.
These springs denearly all the hard work, when once you clart them going. And this washing machine works as easy as a bicycle whach does.
There are slats on the inside bottom of the tub.
These slats act as paddles, to swing the water in the same direction you revolve the tab.
You throw the solid clothes into the tub first.
Then you throw enough water over the clothes to don't tub.

oat them.

Next you put the heavy wooden cover on top of the tothes to anchor them, and to press them down. This cover has size on its lower side to grip the lobes and hold them from turning around when let by turns.

sthes and hold them from turning atoms.

a tub turns.

Now, we are all ready for quick and easy washing.

You grasp the upright handle on the side of the bland, with it, you revolve the tub one third way ound, till it strikes a motor-spring, which in turn throws that ho it is strikes a motor-spring, which in turn throws back on the first motor-spring, which in turn throws back on the first motor-spring.

The machine must have a little help from you, at sery swing, but the motor-spring, and the ball-bearings, do practically all the hard work.

You can't in a rowling chair and do all that the yealor requires of you. A child can run it easily full of clothes.

Not clothes.

When you revolve the tub the clothes don't move.
But the water moves like a militace through the

But the water moves like a mistrace prough the dothes.

The paddles on the tub bottom drive the scapy water THROUGH and through the clothes at every swing of the tub. Buck and forth, handout of every fold, and through every nesh in the cloth, the hot scapy water runsilike a torrest. This is just it carries away clit the dirt from the clothes. In from rise to fan mounts by the clock.

It drives the dirt out through the meshes of the fibries willfill A. Handles and That from the washboard.

It will wash the finest lices thirte without breaking a thread, or a button, and it will wash a heavy, dary carpet with equal case and rapidity. Fifteen to twenty garments, or five large bod-sheets, can be washed at one time with this "1000" Washer.

A child can do this in cls to twelve minutes better than any clts washer woman could do the same clothes in Twick the time, with three times the wear and tear from the washboard. Moody Considers the Chattanooga, Tenn. Washington, March 24,-The depart

This is what we SAV, now how do we PROVE it?
We sand any reliable person our "REC" Washer
free of charce, on a full un into trial, and we even
pay the freights out of our own pockets.
No cash deposit is asked, no notes, no contract, ment of justice has called on William D. Wright, United States district attorney at Nashville, for complete information in regard to the lynching of

You may use the wather four weeks at our ex-me. If you find it won't wash as many clothes in HR hours as you can wash by hand to EIGHT urs you send it back to the rullway station,— Ed Johnson, a negro, at Chattanooga, Johnson was under sentence of death and was to have been executed when the United States Supreme court handed a

hours you send it back to the railway station,—that's all.

But if, from a month's actual use, you are convinced it saves HALF has time in washing, does the work better, and does it twice as easily as it could be done by hand, you keep the machine.

Then you mail us id cents a work will it is paid for. Remember that '0 cents as work will the paid for. Remember that '0 cents as your own, or on a washing work belief and that cost you nothing. You don't has a cost from first to last, and you don't bus it would from first to last, and you don't bus it out you have had a full mouth's train.

Louid we short for your faight on thousands of these machines every mouth, if we did not positively ShOW they would do all we claim for them? Can you afford to be without a machine that will do your washing in HALF THE THE! with balf the west and tear of the washboard, when you can have that machine for a month's free trial, and intital POR ITSILE? The affer may be withdrawn at any time it overstands our factory.

Write as TODAY, while the offer is still open, and while you think of it. The poctage strump is all you risk. Write me personally on this affer, vit.: B. F. Sieber, Canad Manager of "How" Washer Compenny, 5850 Heary St. Blinghambon, New York is 35 You so st. Toronto, Canada decision down granting a stay. The question of contempt proceedings is still under consideration by the department of justice. It is said that although no orders have been sent to Chattanooga looking to an investigation of the matter, with the exception of instructions to the district attorney to make a re-port, it was known that an investigation of the most thorough kind was being carried forward by the local offi-

ESTATE OF RANSOM D. MOORE. State of Vermont, District of Wash-In Probate Court, held in Montpelier in and for said District, on the 16th

day of March, A. D. 1906. Irving W. Bates, Administrator of the Estate of Ransom D. Moore, late of the Town of Barre in said District, deceased, makes application to said Court, with the consent and approbation in writing of the widow and beins of said deceased, residing in the State of Vermont, for license to sell all of the real estate of said déceased, to wit: Home place; also land called the Barre land, situated in said Town of Barre; also two pieces of land situated in Washington, in the County of Orange and State of Ver-mont, including the interest of the wid-ow of said deceased therein and the homestead right, representing that the sale thereof would be beneficial to the widow and heirs of said deceased, and those interested in his estate, in order to convert said real estate into money. Whereupon, it is ordered by said Court, that said application be referred to a session therof, to be held at the Probate Office, in said Montpelier, on the 2d day of April, A. D. 1908, for hearing and decision thereon; and it is urther ordered that all person-nterested be notified hereof, by publication of notice of said application and order thereon for three weeks successively in the Barre Daily Times, a new-paper published at the City of Barre, in this state, and which circulates in the neighborhood of those interested, before said time of

hearing, that they may appear at said time and place, and, if they see cause, By the Court,—Attest, HIRAM CARLETON, Judge. Saturday, March 17, 24, 31.

ABOUT THE STATE.
